

Vocabulary Quiz - Travel

English learners generally have one thing in common: they love to travel and find out about new cultures. One of the main reasons most of us learn a new language is in order to try it on by going to a country where they speak the language. Of course, in order to get there, you have to travel. That's when travel vocabulary becomes absolutely necessary. Here is a quiz with related travel vocabulary for four means of travelling: by rail, by bus or coach, by air, and by sea.

Use the following words to fill in the gaps in the travel chart. Each word or phrase is used only once.

bus terminal, aircraft, catch / get on / board, disembark, quay / dock, liner, trip, depart / leave, land, bridge, driver's seat, pilot, corridor / aisle

Have a safe journey!
